# STOP PREDATORS IN THEIR TRACKS

## To Protect Your Property From Night Predator Animals

Nite•Guard Solar® has been proven effective in repelling predator animals for the past 19 years. Nite•Guard Solar attacks the deepest most primal fear of night animals, that of being discovered. At sunset, Nite•Guard begins to flash and continues until sunrise. The simple but effective fact is that a "flash of light" is sensed as an eye and becomes an immediate threat to the most ferocious night animals and they will run away.
