

Betterbee®

Gear up for Spring!

WWW.BETTERBEE.COM • 1-800-632-3379 • 8 MEADER ROAD • GREENWICH, NY 12834

Try something new this year! The Hogg Halfcomb Super produces easy-to-package sections of comb honey. A great value-added product!

Cappings Extruder from Lyson. Compresses honey cappings leaving you with wax ready to be processed.

Quality Eastern White Pine frames. Available assembled or unassembled, wired or with Pierco foundation!

New for 2016! The Barrel Blanket. Wraps a blanket of warmth around your 55 gallon drum of honey. 5 gallon version also available!

Customizable Kits: Get What you Need at a Discount!

There is no one way to keep bees. Betterbee offers customizable kits where you save by purchasing a group of equipment at once, but have plenty of options to get the type of equipment you're looking for.

For our Beginner Kit, choose your outer cover, helmet and Veil, Hive Tool, Glove Style and Size, Frames and Foundation, Bottom Board, and Book. Call or visit our website to learn about all your choices!

- Frames
